Summary:

A Golden Sun parody of "An Inspector Calls".

1. Chapter 1

An Alchemy Sage Calls

For some crazy reason, I'm rewriting my old parodies for putting up on my site. They were pretty bad, so they obviously needed work.

This one REALLY needed it, because it was actually written before Golden Sun: The Lost Age came out.

The source of this is a little obscure. It's a parody of some book. I got bitten by the parody bug when I was forced to go and watch a

play based off the book. And I was eating a lot of Wine Gums at the time. That's candy by the way and no, it doesn't contain wine.

So, on a sugar high, bored during watching a play, an insane parody bug bit me and I wrote this way back before TLA had even come out. I

had to take it off Fanfiction.net later when they banned script fic.

But now you get to see one of these unoriginal, random things called parodies I wrote! Hooray!

The pairings are Alex/Jenna, Alex/Mia and Felix/Mia. Whoah... that would be pretty strange if all three of those were in a proper Golden Sun

fic. Mia would be cheating on Alex and Felix and Alex would be cheating on Jenna and Mia...

Okay, enough rambling out of me. I'll just get on with this.

Disclaimer

The original play, 'An Inspector Calls' is copyright of J.B. Priestley, who wrote it.

Golden Sun was made by Camelot and I obviously don't own the characters in it or anything.

2. Chapter 2

An Alchemy Sage Calls

Act 1

Location: The Venus home, in Vale, magically modified into a mansion. The room we are in now is the dining room, which is huge, and there is a table and chairs and plates and a chandelier and everything, oh, and the drinks, mustn't forget the drinks.

People: Henry, Olivia, Felix, Jenna, Alex, Sheba

Everyone is sitting around the table, finishing off a meal. They mostly wear posh clothes. Henry wears a suit, Olivia wears a long frilly green dress and lots of jewellery, Felix is slightly shabby, he has just trousers and a shirt. Jenna wears a lot of pink. Alex wears a clean blue shirt and dark blue corduroy trousers. Sheba is quite shabby, because she is just the maid.

Jenna: YES! YES! YES! YES! YES!

Alex: On second thoughts, maybe I shouldn't have asked...
>_>;;;

Jenna: YES, Alex, of COURSE I WILL marry you! [glomps] You didnt even have to ask!

Alex: But that's what I'm supposed to do?

Sheba: [starts sweeping under his feet]

Alex: Hey, my soles aren't that dirty, are they?

Sheba: Really, Alex, I consider everything about you to be dirty.

Alex: Shut your mouth, you annoying...

Felix: Alex, you'd better be nice to Jenna or else I'll beat you up.

Alex: Whatever.

Felix: ... Oh, fine! You don't even consider me a threat! ._.

Jenna: [smooches Alex]

Alex: ... x_x;;;

Felix: ...

Sheba: Hey, Felix, you remember that your role requires drinking a lot?

Felix: ... I'm not keen on drinking. ._.

Sheba: Oh, yeah, of course not... >_> You already told us before the play started.

Felix: I refuse to drink.

Sheba: >_> That's okay...

Olivia: Our daughter is marrying an insane megalomaniac hellbent on ruling the world! How wonderful!

Alex: Innocent until proven guilty. =/

Felix: But, Alex, you ARE guilty...

Alex: STFU!

Henry: That's so awesome! Maybe my imaginary business, the Venus business or whatever, can join with YOUR imaginary business, the Mercury Business! Wow! Do put in a good word for me!

Alex: Um, sure... what the hell is this guy on?

Jenna: *smack* Don't badmouth my dad!

Alex: Ow. ;_;

Olivia: Oh dear, Jenna, there's a mark on your dress!

Jenna: There is? o_O

Olivia: MAID! Get that mark off her dress!

Sheba: WHA- Um, ok, ok! [grabs a cloth and starts sponging at Jenna's dress] Sheesh... I feel more like a slave or something... x_x

Jenna: Where's my ring, Alex?

Alex: Here...

Alex hands Jenna a beautiful diamond ring.

Jenna: Aah! It's beautiful! [grabs the ring and puts it on] Eeeee!

Sheba: Here's some NON-alcoholic cider, Felix. *looks shifty*

Felix: Thanks. [sips non-alcoholic cider] It's just a ring, Jenna. Calm down!

Jenna: [grabs Sheba's cloth and throws it at Felix]

Felix: Hey, what was that for? =/

Sheba: Can I have the cloth back please?

Olivia: You should be begging for it.

Alex: You are not even supposed to talk.

Felix: Let her. [hands back the cloth]

Sheba: Thank you. ^_^

Felix: Can I have some more non-alcoholic cider please?

Sheba: Of COURSE, my dear Felix! [refills his glass while chuckling evilly]

Felix: ... o.o I just imagined that, didn't I?

Henry: The future looks bright. I'm sure it's going to be great. That boulder on Mt. Aleph is staying there, it's never going to fall. Nobody's ever going to rob Vale, we'll be absolutely fine. And those four lighthouses ain't ever going to get lit, so don't you worry about a thing.

Jenna: I'm so happy! ^_^

Alex: It's my fault, isn't it?

Felix: Yes, it's all your fault.

Jenna: Why, I think I could just burst into song~!

Olivia: Please don't. =/

Felix: O_O;;;;;

Jenna: But I want to!

Henry: It would be best if you didn't.

Jenna: Why?

Henry: >_> ; ; ; ; ; ; ; ;

Jenna: ;_ ; You are all meanies!

Felix: It's not our fault your singing sounds like a cat being murdered.

Jenna: >=/ [throws her napkin at him]

Felix: Hey! Stop throwing things at me! ._.

Jenna: Maid, can I have my napkin back please?

Sheba: [grabs the napkin and flings it back at her]

Jenna: Hey!

Alex: You're so fired!

Sheba: ^_^ Oh goody! No more slave labour!

Henry: The future will be perfect.

Olivia: Absolutely perfect.

Jenna: Yeah, perfect!

Alex: Perfect as a pea! ...what did I just say?

Sheba: ... Alex?

Felix: I doubt it. >_>

Henry: And I don't give a toss about those who need help, because I'm supposed to be playing this really selfish guy, so yeah... I

shall help nobody. Which suits me just fine. Nobody needs my help. And all those cranks who say we should help each other can get lost.

KNOCK, KNOCK

Alex: There is a knocking on the door.

Jenna: Ignore it then!

KNOCK, KNOCK!

Henry: This is a private supper isn't it?

Olivia: I was hoping nobody would interrupt...

BANG, BANG!

Felix: Um, I think someone should answer it before the door gets destroyed.

Sheba: I'll answer it! [runs off]

Henry: When I see who it is, I'm gonna give them a piece of my mind.

Jenna: Really?

Felix: Let's teach them the power of Venus Adepts.

Jenna: No, Mars Adepts!

Olivia: We shall do no such thing, and I will not use my Psynergy against a visitor, Jenna.

Henry: Felix, what have I taught you? Don't use your Psynergy for evil. That's one of the rules of Vale.

Alex: What rule?

Felix: Hone your Psynergy, do not use it for evil. Yadda yadda.

Jenna: Bleh. What if someone's pissing me off?

Felix: I'm sure that's never stopped you before... >_>::;

Jenna: Of course not. ^_^

Sheba: It is an Alchemy Sage!

Olivia: Drive him away.

Henry: Yeah- oh, too late...

Kraden walks into the room. He is wearing a long black cloak, and a tall hat, covering most of his face.

Kraden: Greetings, I am 'Inspector' Kraden, and I like to call myself an Alchemy Sage. This is because I study Alchemy and my

job is to be the rambling old man who comes in here to annoy you and play mind tricks. How nice that I happened to come just

as you were finishing dinner! Of course I didn't do it on purpose... I think. Or did I? [chuckles sinisterly]

Alex: ._.::; To commit hara kiri or not, that is the question.

Felix/Jenna: NOOOOOO!!!!

Henry: What do you want?

Olivia: This is a family dinner.

Alex: I'm not family.

Jenna: You will be! Remember, we're getting married?

Alex: But only in the play!

Jenna: What, you mean we're not REALLY getting married?

Felix: Oh great...

Alex: Um, no?

Jenna: [starts crying] You bastard!

Alex: What the hell?! o_o;;;

Felix: Alex! Look what you did, you broke my sister's heart!
You'll pay for that!

Alex: Jenna! Jenna! Wait, I was kidding, of course we're getting married!

Jenna: [stops crying] R-really?

Alex: Yeah...

Jenna: YAY! [glomps]

Alex: =/

Felix: ... Alex... >_

3. Chapter 3

An Alchemy Sage Calls

Act 2

Location: Still in the dining room...

People: Henry, Olivia, Felix, Jenna, Alex, Kraden, oh, and Sheba

Nothing has changed since the last act. Sheba is scrubbing a stain on the floor and looking positively livid. Felix and Jenna look suspiciously at their father. Alex has a disbelieving look on his face, but doesn't seem to care much. Olivia looks horrified.

Olivia: Are you saying Henry is involved?

Kraden: Oh, not just him, I assure you.

Alex: All of us in this room are involved?

Sheba: Even me...?

Kraden: Except the maid.

Jenna: That's not fair!

Sheba: Why am I even here?!

Felix: Well, I'm glad you're here. You're giving me this wonderful non-alcoholic cider stuff! ^_^ [hiccups loudly]

Sheba: Yes... non-alcoholic... of course... >_>

Henry: Ok, ok, let's just get this over with. What could I possibly have to do with this death?

Kraden: Does the name Mia Paragon mean anything to you?

Henry: [shrugs]

Kraden: Might she have worked for the Venus company in the past?

Henry: Well, there might been a girl by that name, nearly two years ago now, I should think, but how the heck am I supposed to remember? There's lots of girls working there, aren't there?

Kraden: Allow me to jog your memory [reaches in his coat pocket]

Alex: Watch out, he's reaching into his coat pocket.

Jenna: And your point is...?

Alex: What if he's pulling out a huge book he will read all the way through to us?! ._.

Jenna: ... Eh?

Felix: Kraden's not THAT bad. Just... er... really bad.

Kraden: [removes a photo from his pocket and hides it from everyone except Henry with his hand. Henry peers closely for a look.]

Olivia: Ooh, can I see?

Jenna: No, me first!

Felix: Me first! [hiccups louder]

Alex: [stares at him strangely] I'm beginning to wonder about the non-alcoholic cider...

Kraden: No, you lot may see it some other time... [puts it back in his pocket]

Sheba: Aw, no fair!

Kraden: Well, Mr Venus, did you recognise the girl?

Henry: Suppose so.

Kraden: Care to tell us? I'll happily wait all night.

Henry: Aww, do I have to?

Kraden/Felix/Jenna/Alex/Sheba: Yes!

Olivia: I've just remembered Vale was heaven before Kraden ever came. How could I have forgotten that?

~

Henry's Story- Flashback

~

The scene changes to a factory. Many girls are toiling hard at machines, sewing up materials and running around with armfuls of whatever they are sewing up. They all wear plain uniform, usually black or blue and white.

Mia: This job sucks!

Shot of a frustrated Mia glaring sullenly at her sewing machine. She is wearing a smart white blouse and a dark blue skirt, and her hair is scraped back into a neat ponytail. Then she turns and starts talking to some other girls nearby. They nod their

heads and all
of them go marching off toward an office.

Girls: Revolt! Revolt!

Henry: o_o; Er... what?

Mia: Excuse me, Mr Venus, we are quite disappointed with our low wages. We only get about 2 coins an hour, and we cant work for that much.
We demand a payrise.

Henry: I would not do such a thing if my life depended on it, because I'm stupid. Now, are you the leader of this ragtag bunch?

Mia: Heavens, no! That girl there is! [points to a short, mousy girl behind her]

Mousy Girl: o.o; [squeaks nervously]

Henry: Dont be ridiculous, she doesn't look like a leader to me.

Mia: Not her, the girl behind her [points away to a stupid looking girl with sleepy eyes who looks quite scruffy]

Stupid girl: ... Uh?

Henry: Give it up, Ms Paragon, it's obvious you're the ring leader.

Mia: Ok, fine, I'm the ring leader. Now give us a payrise, buster!

Some girl in the crowd: You're not supposed to call your boss Buster.

Mia: Whatever!

Henry: Alright, all girls except Miss Paragon, clear off this minute.

Girls: [murmur and leave with several glances backwards]

Mia: [looks disappointed and nervously smoothens down her skirt, glancing everywhere]

Henry: You are so fired.

Mia: WHAT? Oh, no, no... [giggles] I'm not tired!

Henry: [leaning forwards and giving her a Look] Not tired, FIRED.

Mia: ...NOOOOO!

~

End of Henry's flashback

~

Jenna: That was pretty mean, Dad!

Felix: You fired her just because she wanted a payrise?

Alex: They should have been happy with what they got. I get nothing for this.

Jenna: Yeah, who's paying us for this stupid play?

Felix: Nobody, but it's supposed to be interesting.

Jenna: Yeah right.

Alex: It's basically Kraden getting to ramble and annoy the hell out of us as usual.

Olivia: And you're saying my husband is responsible for her death? [glares at Kraden]

Kraden: Not directly... [sighs] How many times do I have to say this anyway?

Jenna: A lot.

Felix: You tend to ramble so it's difficult for you to reach a point.

Kraden: WHAT?

Sheba: Would you like a cup of tea, Kraden?

Kraden: No.

Sheba: Well, at least I'm not being completely ignored.

Felix: I, on the other hand, wouldn't mind some more non-alcoholic cider.

Alex: Are you totally obsessed with the stuff?

Felix: It just tastes so good!

Alex: Do you feel strange at all?

Felix: Head's a little swimmy. Guess I'm just a bit tired.

Alex: ... You have got to be kidding me.

Henry: Oh, I didn't think it was too mean. I fire people every day.

Kraden: Wow. Fascinating. You must be a short-tempered man.

Jenna: Where do you think I got it from?

Alex: Well, is that it?

Kraden: If I go straight to the next person, then this play's a bit too short, isn't it?

Jenna: It is a short play.

Sheba: Would you like a cup of tea, Kraden?

Kraden: I said no!

Olivia: Maid, there's salt on the table, clear it off please.

Sheba: I didn't put it there!

Alex: [laughs]

Sheba: [casts Spark Plasma]

Jenna: SHEBA!

Alex: OWWW!

Kyarorain: STOP THAT RIGHT THIS MINUTE! [glares at the camera] CUT!

End of Act 2

Alex: OW! OW! [jumps up and down, screaming in pain]

Mia: Keep still you idiot, I can't heal you if you're jumping about like a demented grasshopper!

Alex: [does his best to keep still]

Mia: [casts Ply to heal his wounds]

Jenna: Sheba, how could you do that?

Sheba: He made a mess and then I was ordered to clear it up, I didn't find that very fair.

Felix: But you're the maid, it's your job!

Sheba: Then I quit!

Jenna: You're not allowed to quit.

Sheba: I'm not?

Felix: No.

Sheba: AWWW...

Mia: Just enjoy it [grins evilly] Anyway, who's the Jupiter Adept who does Spark Plasma on me meant to be?

Alex: Probably Sheba [glares]

Sheba: [glares back]

Kyarorain: Ivan, just for the heck of it.

Ivan: Yay, I'm in it!

Sheba: But not named.

Jenna: Yeah, your part is so small.

Felix: But it's something, right?

Ivan: Yeah.

Mia: Well, the play's over, let's go take a break!

[Everyone rushes off]

4. Chapter 4

An Alchemy Sage Calls

Act 3

Location: Dining room, where else?

People: Henry, Olivia, Felix, Jenna, Sheba, Alex and Kraden of course!

Kraden: Well, anyway, I would like to pick my next victim.

Alex: Vic...tim? o_o;;;;;

Felix: Oh no! He's going to ramble some more! ;_;

Kraden: Ahem!

Sheba: Would you like more non-alcoholic cider, Felix?

Felix: Oh yes, please, thanks!

Henry: I think you've drunk enough... o_O

Felix: My precious! *clutches glass protectively and makes a strange swallowing noise*

Sheba: Okay... O_o'

Kraden: My next victim is JENNA! [laughs evilly]

Jenna: No! Alex, save me! ._.

Alex: Ooh, a fly on the wall. [stares]

Jenna: Felix? ._.

Felix: [is too busy playing with remnants of food to notice]

Olivia: You're dragging my DAUGHTER into this now, are you?

Kraden: Absolutely.

Henry: Alright, spill, what did you do?

Jenna: Nothing, Dad, honest!

Felix: Yeah, right [hiccups] >_>

Alex: You are hiccuping a lot...

Felix: Oh, it will pass soon.

Henry: So, anyway... [looks suspiciously at Felix] what happened to Mia?

Sheba: If I read Kraden's mind, we wouldn't have to do all this crap.

Jenna: But we have to for the sake of this awful play.

Felix: [hiccup]

Alex: One more hiccup-

Felix: Mom, Alex is threatening me!

Alex: ...

Olivia: Stop hiccuping then, dear.

Felix: -_-' [hiccup]

Kraden: Good question. You see, after she had left your business, now, you see, she was out of work, you see, for, I believe,
a duration of precisely two months, now you see? Her parents were dead, you see, so now she had no home, you see, don't you? Now,
apparently, she wasn't paid enough at Venus Company, so, I guess, she couldn't save most of it either, so then, she, you would never
believe it, I tell you, she lived in lodgings, you see now, right? And she had no relatives, you see, and she was absolutely lonely
and half-starved, so we'd say she was feeling pretty desperate by then.

Alex: Were all the 'you see's really necessary?!

Felix: [Hiccups]

Jenna: FELIX! [throws a bottle cork at him]

Felix: I said... stop throwing things at me... _.

Sheba: Um... could we just get on with this? I'm kinda bored of hanging around and serving no purpose whatsoever.

Felix: Shiny... [stares at a fork]

Jenna: Uh, anyway, poor Mia.

Kraden: Yeah, you see, a whole bunch of women live in these here gigantic cities, and them there companies aren't into looking for those
there cheap labour!

Henry: That is improper grammar...

Olivia: And it's people, not cheap labour...

Kraden: Yeah, sometimes I think it would be better if we were these young women counting their pennies in a dingy little back bedroom!

Felix: That did NOT sound right to me, are you sure you said it properly? [hiccup]

Alex: Isn't there ANY cure for hiccups?

Jenna: Scaring him?

Alex: Hey, Felix, there's a scary dragon behind you!

Felix: I'm not falling for that... [hiccups and drinks more non-alcoholic cider]

Alex: Darnit.

Olivia: Kraden?

Kraden: Oh, yes, what is it you want to know now? Do tell me because I am very keen to answer any and all questions that you have because I simply love talking too much for my own good!

Henry: Stop rambling!

Olivia: You're supposed to-

Jenna: Tell us what happened to Mia next!

Sheba: [pours Felix more non-alcoholic cider]

Alex: You're getting him drunk, aren't you?

Sheba: Don't make me cast Spark Plasma again...

Alex: Meep!

Kraden: Ah, yes, that is a very good question, Jenna, I am indeed glad that you were good-natured enough to ask me that excellent question.

Why should we not wonder what happened next to Mia, it is a very interesting topic after all-

Everyone: KRADEN!

Kraden: Relax, I am actually going to be getting to the actual point in a minute or so, you see, I seem to have a slight problem with getting to the point at the moment, actually, I don't really see the point in getting to the point, pardon the pun... she was taken on at a good shop, er, it might have been The Lemurian Days or something like that...

Felix: Whose idea was it to call it the Lemurian Days?!
[hiccups]

Alex: A moron.

Jenna: Just listen! Um, hey, I've been to The Lemurian Days, I go there sometimes with Mom!

Olivia: We do?

Jenna: o.O I was there this afternoon in fact... buying sexy lingerie.

Felix: Too much information...

Alex: Oh, really? ^_^ I'd like to see it sometime.

Jenna: You certainly may! ^_-

Kraden: Mia actually thought she was a lucky girl to get taken on at The Lemurian Days, but alas, her new job was short-lived. She even thought she was making a good, fresh start. I bet any of you here can imagine how she might have felt.

Alex: Like an idiot.

Felix: Really?

Alex: Who goes to work at stores that don't exist?

Sheba: Shut up, Alex...

Jenna: Did she feel emo? Did she cut her wrists and listen to Linkin Park?

Henry: Did she get into trouble?

Felix: [hiccup]

Olivia: Felix, we really need to do something about that hiccup...

Kraden: But then, you see, about a couple of months later, she actually felt that she was beginning to settle down quite nicely at the Lemurian Days. But then the people there were so rude, you see, they told her she had to go.

Olivia: Why?

Henry: Not doing her work properly?

Alex: They realised the store didn't exist.

Sheba: Dont make me do it again...

Felix: You don't really need to talk, you know...

Sheba: How rude! [pours Felix even more non-alcoholic cider]

Alex: You really are doing something to him, aren't you?

Sheba: [smiles sweetly] Yeah? Says who?

Jenna: Sheba...

Kraden: All I know, and believe me, I know a heck of a lot actually, but I am sure that you already know this. I have not got the time to tell

you absolutely everything that I know unfortunately, so I can only tell you that Mia was sacked because a very rude and naughty little customer decided to complain about her so she had to go.

Jenna: [stands bolt upright]

Alex: Jenna?

Jenna: OH &%#\$!

Felix: Jenna!

Olivia: Jenna, what did you just say?

Jenna: If we're right before the boulder falls, when is it going to fall?

Olivia: It's already fallen!

Henry: We're pretending it's not fallen, remember?

Jenna: Oh, yeah. [sits down] The setting confuses the hell out of me. I mean, how can we be in the original Vale in our house anyway?

Felix: :hic:

Alex: Jenna?

Jenna: o.o What?

Alex: Say your line.

Jenna: Um, when was this, Kraden?

Kraden: Ah, yes, I believe that this was at the end of January, last year. I never forget anything, so I am pretty darn sure that I was accurate and correct in delivering information to you.

Jenna: Oh. Can I see that photo?

Kraden: Sure... [steps near a light and pulls a photo out of his pocket] Come closer.

Jenna: [jumps up and rushes over to look] HOW UGLY!

Henry/Olivia/Felix/Alex/Sheba: Jenna!

Jenna: What the hell is THAT?!

Kraden: [peers at it] Oops, wrong photo! [puts the photo back in his pocket and pulls out the real photo which he shows to Jenna]

Felix: :hic:

Jenna: OH NO!

Kraden: Did you recognise her then, Jenna?

Jenna: [screams and runs out]

Felix: :hic: Jenna?

Sheba: [pours Felix more non-alcoholic cider] Drink as much as you like, Felix.

Alex: I really don't think...

Sheba: Shut up.

Henry: Now, look, you went and upset my daughter.

Olivia: I'll go and check she's okay. [goes out]

Henry: Wait, don't leave me with these people! [follows]

Felix: I'm your son! [hiccups]

Alex: I think he's sick of your relentless hiccuping.

Sheba: How sweet, we're alone...

Kraden: Yes, with me.

Alex/Sheba/Felix: OH NO!

Henry: [pokes his head back in] You made a pretty darn big mess of our 'family celebration' too!

Kraden: Yes, Mia was a pretty darn big mess too.

Henry: EWW! [leaves]

Kraden: Such a promising life, all spoilt.

Alex: Can I please have a look at the photo?

Kraden: No!

Alex: *mutters swear words* Stupid old man.

Kraden: Now, you see, I have a curiosity of why the lighthouses split into four when you light them, it really is quite amazing-

Felix: What does THAT have to do with the play?!

Sheba: What's wrong, want more? [pours more non-alcoholic cider]

Kraden: Of what? That?

Felix: My head feels strange, I think I'm also saying funny things.

Alex: I really dont think it's non-alcoholic anymore...

Felix: I want to go to bed now.

Kraden: Well, you can't, so there.

Alex: You are so bossy.

Kraden: Be easy with me and I'll be easy with you.

Alex: When I take over the world, you're going to suffer first, old man.

Kraden: Would you like me to go back to talking about lighthouses splitting into four?

Felix: No! Please! I don't want to die! ;_;

Kraden: WTF?

Alex: Definitely drunk.

[Jenna rushes in and slams the door behind her]

Sheba: Did you have to slam the door?

Jenna: You knew it was me!

Kraden: Of course I did, it's in the script!

Jenna: ... Well, whatever. I'll just tell everyone here.

Kraden: That is a wise choice Jenna, otherwise I'd have to torture you into it by talking incessantly and I'm sure you wouldn't want me to do that now, would you?

Jenna: Did it make much difference to Mia's life?

Kraden: Oh, yes, absolutely, it was the last steady job she ever had.

Jenna: Oh. Well, crap.

Felix: So... what is it then?

Jenna: It all started when me and Mom went to Lemurian Days...

~

FLASHBACK

~

Jenna and Olivia are browsing at a shabby Items shop, pretending it is 'Lemurian Days'. Jenna grabs a bright orange dress with yellow stripes.

Jenna: Look, Mom, isn't this lovely? ^_^

Olivia: Uhh... o_O

Feizhi(The Assistant): Now, look, I really don't think so...

Jenna: I don't care what you two say, I want to try it on!

Feizhi: That is not your size, we shall get someone to bring your size up to the changing room.

Jenna, Olivia and Feizhi relocate to the changing room. Mia comes along with the same dress in Jenna's size. Jenna tries it on and the dress clashes with her hair, making it look absolutely horrid so she quickly removes it and looks sulky.

Mia: It doesn't look right on you, silly!

Mia holds up the dress against her own body and for some absolutely strange reason, it looks alright on her.

Jenna: >=E

Mia: [giggles]

Feizhi: O_O Mia!

Mia: O_O Oops!

Jenna: I suppose you two think you are so perfect! Well, you two can get lost and shove that stupid dress straight up your you-know-whats! [storms out]

Olivia: Jenna, wait! [follows]

Jenna: I'M GOING TO SEE THE MANAGER! [bursts into the manager's 'office']

The manager's office is just a bare room with a chair and a table in it. Sitting on the chair is Piers, who looks up suddenly.

Jenna: I WONDERED why this shop was called 'Lemurian Days'!

Piers: Yes, what do you want? o.O

Jenna: I am Jenna Venus, the famous daughter-

Olivia: Famous? o_O

Jenna: Of Henry Venus, owner of some random made up company or whatever, and I also have a brother, the stupid idiotic hiccuping Felix, and a wonderful boyfriend, the awesome megalomaniac, Alex! Um... that's about it...

Olivia: You didn't have to be that personal...

Piers Yes, I see, but why have you come in here, Jenna?

Jenna: Because a naughty girl was extraordinarily rude to me just now.

Piers: Which girl?

Jenna: The fat, ugly, snotty, warty one who blubbers like a baby and laughs like a donkey!

Mia: Jenna! [cries and runs on stage] You're horrid! [casts Ice Missile]

Jenna: I was reading the script! OWWWW!!! [retaliates with Dragon Fume]

Piers/Olivia: ENOUGH!

Mia: [runs back off crying]

Jenna: *takes deep breath* I hate this play, I hate the script, I hate plotbunnies, I hate Wine Gums, I hate plays, I hate Sheba for getting my brother drunk and lying about it, I hate Alex for being annoying, I hate Kraden for being a rambling annoying old man and I hate the world! [runs off as well]

Piers: Get back here!

Olivia: That was a long rant...

Piers: Why does she hate Wine Gums?

Olivia: No clue...

Jenna: [comes back on, fuming] I was only following the script, I didn't really want to say that about Mia...

Olivia: Please, just get on with it, darling...

Piers: I'm getting a bit overused here...

Jenna: Anyway, I want you to sack that blue-haired girl. The one with blue eyes, wearing a pale blue dress and a long robe, who puts her hair back with a white ribbon.

Piers: Hmm... lots of people like that in Lemuria...

Jenna: Don't annoy me, Piers...

Piers: I mean... you have described Mia Paragon, one of our best workers. Are you sure?

Jenna: Yes! And if you don't sack her, then I'm never shopping here again!

Piers: O_O Ok, ok, I'll fire her, happy?

Jenna: Yes! [stomps out]

Olivia: What a temper... [follows]

~

END FLASHBACK

~

Jenna: I didn't mean it... oh goodness...

Kraden: I would say that it sounds like you were jealous of her at the time.

Alex: Jenna is so much more beautiful than Mia.

Felix: :hic: Really?

Alex: Keep quiet, Felix. Just keep quiet. And don't stare like that!

Felix: o_o I wasn't staring... what's wrong with my head...?

Jenna: I WOULD help her now if I could...

Kraden: I am afraid, Jenna, that apparently Mia is dead, so you are a little bit too late to help her, you see?

Jenna: Ugh!

Felix: [hiccups and giggles] That's a bit stupid isn't it!

Alex: You're starting to act out of character.

Sheba: More, Felix? [pours more non-alcoholic cider]

Jenna: Shut up, Felix. I'm not ever gonna do anything like that again! I think...

Kraden: Oh believe me, I'm sure you're going to get that mad again.

Jenna: Whatever! And people kept looking at me funny whenever I went to 'Lemurian Days'...

Alex: Because everybody knew she thought she was at a store that didn't exist...

Jenna: Shut up.

Alex: o.O

Kraden: Well, I was thinking what a shame it was when I saw her body this night. I wondered why it even had to happen in the first place, you see? I understand, you see, that she lost her first job at the Venus Company, because she kept on complaning about her wages which eventually led to the loss of her job. Then she goes and gets another job at Lemurian Days, but then Jenna spoils it all. Stupid, isn't it?

Alex: Yeah.

Jenna: SHUT THE HELL UP, ALEX, HOW MANY TIMES DO I HAVE TO TELL YOU?

Felix: OVER NINE THOUSAAAAAAND! [giggles and hiccups again]

Jenna: O_O Felix...

Sheba: So, what happened next?

Kraden: Well, she was beginning to get pretty desperate now so now she had to try something else. You see, she decided to change her own name from Mia Paragon to Mary Aquarius...

Alex: [jumps up and stares] WHAT?

Jenna: O_O

Kraden: ...Mary Aquarius...

Alex: C-can I have some wine?

Jenna: NO!

Alex: =\

Sheba: =\ I wanted to poison him...

Felix: o_O;;;

Kraden: I shall go and accompany Henry and Olivia. Would you mind coming with me for a minute, Felix?

Felix: Um... sure... o_o;;; [gets up and stumbles] Whoah... I can barely walk...

[Kraden and Felix leave. Sheba sits in the corner, laughing. Jenna turns and glares across the room at Alex who is now cowering by the wall]

End of Act 3

Kyarorain: Hmm, I'd say Alex is in hot water now.

Mia: [glares evilly at Jenna]

Jenna: Really, it was in the script, look! [brandishes it at her]

Mia: ... [scans the script carefully] Caz?

Kyarorain: >_> Oh come on! It doesn't mean I really think that!

5. Chapter 5

An Alchemy Sage Calls

Act 4

Location: Dining room, of course.

People in scene: Alex, Jenna, Sheba.

Alex: Umm... why are you looking at me like that, Jenna?
[cringes further against the wall]

Jenna: You knew her...

Alex: Nonsense, what made you think that?

Jenna: You were seeing her... that time you were hardly ever there, when you didn't wish to see me, you were with... Mia?!

Alex: I knew somebody named Mary Aquarius, yes...

Jenna: You were having an affair!

Alex: But we aren't married!

Jenna: [lunges across the room and tries to hit him with Dragon Fume] DIE!

Alex: O_O [teleports]

Jenna: [spins around and leaps over a chair, casting Flare Storm] CHEATER!

Alex: O_O [teleports]

Jenna: [jumps onto the table and directs a Searing Beam at him] YOU'LL PAY!

Alex: O_O; [teleports behind Jenna]

Jenna: Ugh, now where did he get to? [turns and glares at Alex] You scumbag...

Alex: =\ You know, I'm hoping Kraden doesn't know... then I'll be okay...

Jenna: Oh, no, you won't!

Alex: You aren't going to tell Kraden, are you? T_T

Jenna: [smirks, then bends over, kneeling on the table, and starts laughing hysterically]

Sheba: That's it, she's flipped.

Alex: Jenna?

Jenna: [wipes her eyes, still laughing hysterically] I don't need to!

Alex: Look, Kraden's no Jupiter Adept...

Jenna: He already knows! Kraden knows everything!

Alex: Kraden's not a god, he couldn't possibly know!

Jenna: [leaps off the table, still laughing] Just wait and see...

Alex: Come on, you wouldn't tell, I haven't seen Mia or Mary or whoever for at least six months, really...

Jenna: Actually, you saw her this morning in the studio.

Alex: o.o' Don't be silly.

Jenna: [sticks her tongue out]

Sheba: The pinnacle of immaturity...

[Kraden comes in]

Alex: Hello, Kraden [smiles fakely]

Jenna: [grins]

Kraden: ...well then?

Jenna: [bursts out laughing again] See? What did I say?

Alex: Awwww, crap-monkeys! >__> Anyway, you love someone else so...

Alex: You're really nosy...

Mia: I'm leaving. ^_^

Alex: But who will take care of you?

Mia: I'll take care of myself, I'll be fine. Alex...

Alex: Hmm?

Mia: Thank you for taking me in, it was the best time of my life. But all good things have to come to an end.

Alex: Ok, fine... [hands Mia some gold coins]

Mia: Bye, Alex... [heads towards the door]

Alex: Bye, Mia... [waves her off as she exits, slamming the door behind her]

Mia: [opens the door] It's Mary, damn it!

Alex: ... [smacks head] You know what? I don't care.

Mia: ... Fine. Keep on messing up the play, dunderhead.
[leaves]

END FLASHBACK

~

Jenna: Alex...

Alex: =\ So, what became of her?

Kraden: Apparently, she harboured some strange desire to go to the seaside, so I guess she did, but I really do not know what happened next which really is a bit pathetic when you realise that all this information is coming from me, who is supposed to know just about everything, although I wouldn't mind learning a bit more...

Felix: :hic:

Sheba: Poor Felix... [gives him more... you guessed it]

Felix: YAY!!! [hugs the cup of cider]

Sheba: ...

Olivia: [sniffle] What a touching tale...

Henry: o_O

Alex: Can I go now?

Jenna: [runs in front of the door and looks very evil] NO!

Alex: =\

Kraden: I would let you since I have nothing more to ask you, but it seems that Jenna does not wish for you to go so I guess you are doomed to stay.

Alex: What if I teleport?

Jenna: You wouldn't dare!

Felix: I'll rip your stupid HEAD off if you teleport!

Sheba: Go for it, Felix!

Olivia: That's not very nice. Oh wait, he's an insane megalomaniac. Do it, Felix.

Felix: ... Do what now? o_o What were we talking about again?

Henry: Well, who is the next victim then?

Alex: [sits on a chair, and starts almost crying]

Jenna: Awww! Poor baby!

Sheba: That's my line!

Alex: ... You're mean.

Sheba: Yeah, who's next?

Kraden: I am delighted to tell each and every one of you that there are indeed only two more people left to interrogate. The first person I shall pick out of the 'lucky' two is Mrs Olivia Venus.

Felix: Yay, Mom!

Olivia: O_o Felix, we're not meant to be pleased.

Felix: Why?

Sheba: Because Kraden's evil that's why!

Jenna: [grins] Good for you, Mom.

Olivia: o.o Thanks...

End of Act 4

Mia: MY CD! MY CD! ALEX WILL PAY! HE WILL PAY MOST DEARLY FOR THIS!

Alex: Hey, it was not only your CD! Besides, I didn't make the record player go BOOM!

Isaac: It was scripted to...

Garet: I never knew record players could BOOM!

Jenna: No, idiot, somebody made it go boom!

Kyarorain: Exactly! Only one or two more acts to go, hold on tight!

6. Chapter 6

An Alchemy Sage Calls

Act 5

Location: Dining room, which is looking very messy and a bit charred in places

People: Kraden, Henry, Olivia, Felix, Jenna, Alex and Sheba

Kraden: Ok, we wish to hear your story...

Olivia: Um, what story?

Kraden: You run a Women's Committee yes?

Olivia: Yeah... I guess...

Kraden: I believe that less than a few months ago, you saw a girl.

Henry: Of course she saw a girl, it was a WOMEN's committee right?

Felix: :hic:

Jenna: Kraden always talks crap, Dad...

Alex: Imagine a guy going to a women's committee
[snickers]

Sheba: Would a hermaphrodite go to one?

Jenna: They would probably get kicked out.

Kraden: [reaches into his pocket and with a flourish pulls out a photo, which he shows to Olivia] You saw this girl, am I correct in assuming so?

Olivia: o.O

Kraden: [puts the photo back] Hmm, shall I take that as a yes then?

Olivia: I might have seen her once...

Jenna: Just tell us, Mom!

Alex: Yeah, don't be ashamed. Henry sacked her, Jenna got her fired, I had an affair with her and dumped her. No biggie.

Sheba: Don't make me cast Spark Plasma...

Alex: [glares at Sheba] You're evil...

Sheba: [smiles] I know!

Felix: :hic:

Kraden: Let's hear your story...

Olivia: ...alright...

~

FLASHBACK

~

[Large room, full of comfortable chairs and cushions in a half-ring around three raised desks, and a large banner hanging

overhead claiming 'VENUS WOMEN'S COMMITTEE, WE HELP EVERY WOMAN IN NEED' Sitting at the desks are three of the committee workers-

Olivia, and Dora and Mrs Jerra. They are sitting expectantly, waiting]

Dora: Um, what are we waiting for?

Mrs Jerra: I have no clue.

Olivia: Oh dear, this is ridiculous...

Mrs Jerra: Do people even know we exist?

Dora: Didn't you ask?

Mrs Jerra: What, it was my job? Since when?

Dora: Now I think I'm beginning to understand where Gareth gets his brains from...

Mrs Jerra: Excuse me?

Dora: Uh, nothing!

Olivia: Oh, please, we are adults, not children!

[Before a full-scale argument can break out, Mia walks in with a cushion wedged up a very thin blue cotton dress. Her hair is hanging loose and is quite messy. She hesistantly sits down on one of the chairs]

Mrs Jerra: Welcome to Venus Women's Committee-

Dora: Where we satisfy your needs!

Mrs Jerra: That didn't sound right.

Dora: ... Oh, hell, you're right.

Mia: Uh...

Olivia: What is your name?

Mia: Ahh... uhh... Mrs Venus!

Dora & Mrs Jerra: [exchange amused glances]

Olivia: Uh, what?

Mia: Um, never mind my name!

Olivia: Ooooookay... go ahead...

Mia: It's not really my name, I'm not married. I'm pregnant, but I haven't married the father-to-be...

Olivia: Why not?

Mia: He's immature.

Mrs Jerra: It's a shame the father has abandoned you...

Mia: I kinda pushed him away...

Olivia: I think you should sort him out.

Mia: But-

Dora: Have you told him you're pregnant?

Mia: Yeah, but he's such a silly boy, we can't marry each other. I don't really feel like it anyway. Sure, he gave me loads and loads of money, but I didn't want any more.

Olivia: Why?

Mia: Because he said it was stolen!

Mrs Jerra: Oh my goodness!

Dora: My Isaac would never steal.

Mrs Jerra: Or my dear Garet, or my other children...

Olivia: Or Felix and Jenna, but that's beside the point... oh wait...

Mia: Will you help me?

Olivia: ...

Dora: I think we should.

Mrs Jerra: Me too!

Olivia: Well, we won't! Because I say so... for some strange reason...

~

END FLASHBACK

~

Jenna: MOM!

Henry: I guess the bit about helping all women is ummm...

Sheba: Sarcasm?

Henry: Yes, sarcasm!

Alex: [snickers]

Felix: :hic:

Olivia: I believe that I am not to blame for anything.

Kraden: Oh? And who would you like to pin the blame on then?

Olivia: Firstly, Mia herself-

Jenna: For being stupid enough to get fired twice!

Olivia: And, um, the father!

Felix: [hiccups] Huh?

Sheba: Shhh, it's alright, Felix...

Alex: Leave him alone, Sheba O_o

Kraden: And what do you think should become of the father?

Jenna: Oh great, the interesting bit!

Henry: Interesting bit? O_o

Alex: Yes, the interesting bit!

Felix: [hiccups]

Olivia: First off, he should be pushed into a river underneath a raging boulder, and then pushed off a lighthouse-

Felix: Are you talking about me? ._.

Olivia: And then hit by a tidal wave...

Jenna: o.O;

Olivia: And then thrown to psycho Mars Adepts with pointy ears.

Jenna: Stop that, Mom!

Olivia: And I say you find him and make sure he's punished severely!

Jenna: ;_ ; [cries]

Felix: T_T

Alex: Jenna?

Olivia: My, what's the matter, Jenna? O_o

Henry: I'm sure she's just tired.

Kraden: Oh do not worry everybody, I am indeed doing my duty and I do not think I even need to wait for this certain young man.

Henry: Don't need to wait?

Olivia: Why would he even be here?

Jenna: [giggles hysterically] Look, don't you see now? Don't you SEE?

Alex: Well, it isn't me. [stares at Felix]

Felix: What? Why are you staring at me? T_T

Sheba: [grins] Awwwww, Felix....

Felix: O_o;;;

Henry: You don't mean...

Jenna: He does! Kraden knows all! [laughs maniacally]

Alex: Jenna... dear... calm down... please...

Henry: But what should we do about Felix then?

Kraden: Olivia has just told us what to do.

Felix: But all those things have already happened to me! For the most part.

Olivia: But I didn't know it was Felix!

Jenna: And should that make any difference?

Felix: [hiccups]

Jenna: Mom, I TOLD you to stop! Did you listen? NO!

Olivia: But, Felix never normally gets drunk, or, you know, does things... that happen when drunk!

Sheba: He IS drunk...

Alex: Because of you! He didn't want to get drunk either!

Jenna: Let's just hold this until Felix is sober again...

Kraden: Can't, he has to be drunk...

[Everyone stares suspiciously at Kraden]

Kraden: Really- really- it wasn't, it wasn't...

Sheba: It was. I was giving Felix alcoholic cider because Kraden told me to...

Felix: SHEBA! :hic: T_T

Kraden: Let's just get on with this!

Felix: :hic:

Jenna: He's hiccuping too much...

Alex: One more hiccup and uh...

Sheba: I'LL SPARK PLASMA YOU, FELIX!

Felix: o.O; O-okay... look, no hiccups...

~

FLASHBACK

~

[Felix staggers into a typical smoky bar and falls over]

Felix: Ow! T_T Who put that STUPID stool there?

[Felix gets up again and approaches the counter. He stands next to Mia who is wearing the same blue cotton dress, and a thin dark blue cloak around her. Her hair is tied back into a messy ponytail. She stares curiously at Felix.]

Felix: Want a drink? ^_^

Mia: o.O Do you realise you smell of vomit?

Felix: ...yes?

Mia: >_> eww... anyway, sure, I'm really, really hungry and haven't had ANYTHING to eat ALL day, so sure thing! Thanks! ^_^ What's your name?

Felix: A lot of drinks for me and a lot of drinks for her!

Bartender: O_o I hope you're paying for all this...

Felix: (to Mia) I'm Felix Venus. ^_^ Nice to meet you! ^_^

Mia: You seem a bit hyper... excuse me, more like DRUNK!
O_o' [drinks] I'm Mia, and I don't care what the script might say, it's my name!

Felix: ^_^ [drinks as well] So, what are you doing here?

Mia: ^_^; Someone told me to go here. That's all I'm saying.

Felix: Okey-dokey!

[Fifteen drinks later, Mia exits the pub with Felix following drunkenly and she goes to her 'apartment' but before she goes in, Felix catches up]

Felix: M-mia... ca-can I :hic, hic: [collapses]

Mia: O_o' [kicks Felix] FELIX!

Felix: [stumbles to his feet] I... hate... Kraden... anyway, can I come in? ^_^

Mia: No, I don't want you to come in, bugger off O_o

Felix: Fine. [sits on the ground]
WAAAAAAAAHHHHHHHHHHH!!!!!!!!!!!!

Mia: O_O! Okay, OKAY! You can COME in! HAPPY?

Felix: YAY! ^_^ THANKYOUTHANKYOUTHANKYOU! [follows Mia in and they go upstairs]

[In the bedroom, which is very dingy looking]

Felix: I feel a bit sick... [sniff]

Mia: Oh hell... I'll just go get the bucket.

~

BREAK

~

Olivia: So, what happened next?

Felix: I don't even remember... but I think we had sex... o.O'

Jenna: You idiot!

Alex: Never drink too much. [snicker]

Felix: I just did! T_T How many glasses?

Sheba: About ten, I think.

Felix: O.o' You're mean!

Kraden: Come on, keep going...

~

BACK TO FLASHBACK

~

[Felix and Mia are sitting in the bedroom and Mia is looking deadly serious]

Mia: Felix...

Felix: Hmm?

Mia: I am pregnant.

Felix: Good for you...

Mia: [hits Felix with a pillow] That's not scripted, you idiot!
Follow the script!

Felix: Uh... what script?

Mia: AUGH!

Felix: Oh, THAT script! Uh... WHAT?

Mia: And it's all your fault too!

Felix: Okay... so... er, should we get married then?

Mia: No, I don't want to marry you! [sniff] Um, anyway...

Felix: Hey, want some money I stole off my dad?

Mia: SURE! [grabs it]

Felix: My dad won't notice!

Mia: Wait, stolen?

Felix: Count it, five thousand coins from the office! ^_^

Mia: You are SO dumped. But I'm keeping the money anyway.

Felix: [runs off crying]

~

END OF FLASHBACK

~

Felix: I was going to pay it back, really!

Henry: Oh well, five thousand isn't that much...

Jenna: We've got loads more than that! ^_^

Felix: [sniffle] Mom turned her away!

Alex: That's right! Mia was pregnant and Olivia turned her away just like that!

Felix: She killed her own grandchild! ;_;

Olivia: How was I supposed to know?

Felix: Duh, she called herself Mrs Venus, remember?

Henry: Hmm, that should have been obvious!

Olivia: Oh, that's right...

Jenna: [sighs]

Alex: So, what next?

Jenna: For starters, I'm going to kill you slowly and painfully.

Alex: O_o'

Felix: WAAAAAAAAA! ;_;

Kraden: STOP!

[Everyone stops and stares at Kraden, not making a sound]

Kraden: Now listen to me. Each and every single one of you is in a way responsible for the fate of poor Mia. And remember, you can't even tell her you're sorry...

Jenna: But what if we use a Ouija board?

Kraden: ... I shall now take my leave. Farewell. [walks out]

Everyone: WHOOOPEEEEE! YAY! HE'S GONE!

Alex: I'll be back in a minute! [rushes out]

Jenna: ALEX! NO! HE GOT AWAY!

[Outside]

Alex: Hmm... [sees Gareth who is standing in the street and pretending to be an Inspector] Hey, 'Inspector' Gareth!

Gareth: Huh?

Alex: Is there anybody named Kraden on the police force or whatever?

Gareth: No... I don't think so...

Alex: Thanks! [rushes back in]

[The dining room]

Jenna: THAT FILTHY EVIL MEGALOMANIACAL-

Felix: :hic:

Sheba: Not again!

Felix: Your fault. T__T

Henry: Jenna, stop yelling.

Olivia: That was weird...

Alex: [returns] I have returned.

Jenna: Obviously. You've extended your life by a little longer.

Alex: o_o;;;

Henry: I bet he wasn't an Alchemy Sage.

Olivia: No, he definitely had that horrible Alchemy Sage smell...

Alex: ?_?

Felix: ?_?

Jenna: Probably wasn't an inspector...

Felix: He inspected us though =\

Alex: Guess what?

Jenna: What?

Felix: I see shiny things!

Sheba: [hits Felix with a teatowel]

Felix: OW! Why is everyone being mean to me? WAAA!

Olivia: What?

Henry: What?

Alex: Kraden is absolutely a hundred percent NOT a police inspector!

Henry/Olivia: YAY!

Felix/Jenna: So?

Alex: o.O'

Olivia: It makes everything okay doesn't it?

Felix: ...

Jenna: [glares]

Henry: I'm going to make sure... [grabs the phone and dials]
Hello, is this Chief Inspector Iodem? Do you know a guy
named Kraden?

You DO? But he isn't a police inspector? Sure? Okay!
Thanks! [hangs up] ^_^

Jenna: [sighs]

Felix: ...

Olivia: Yeah, I know, he didn't even talk or dress like a police
inspector!

Jenna: Does that mean we're all nice people now, huh?

Alex: Thought we already were... oh, wait, not me. I'm not a
nice guy at all.

Felix: Jenna's right... it makes no difference...

Olivia/Henry: LET'S PARTY! [start partying]

Jenna: SHE'S STILL DEAD!

Felix: AND IT'S ALL OUR FAULT, REMEMBER?

Alex: [sighs] I'll just run up the phone bill and call the
hospital... Hi, this is Alex Mercury, the best, and the most
powerful Mercury

Adept in the world so you better tell the truth or I'll come
around and drown you. Anyway, has anybody committed
suicide tonight? No? REALLY?

Cool! [hangs up]

Jenna: [glares sullenly at Alex]

Alex: ?_?

Felix: Hrumph...

Alex: You two are definitely sulky children tonight...

Olivia/Henry: [are still partying]

Alex: Jenna, will you still marry me?

Jenna: I don't want to anymore.

Felix: Leave her alone.

Alex: Well, okay then. [muttering] Looks like I'm off the hook now. Thank goodness.

Henry: Aw, come on, Jenna, be happy! [parties] It was a joke!

Olivia: Just a silly joke!

[PHONE RINGS]

Alex: [grabs it] Yes?

Felix: You do NOT answer with 'Yes?!'

Hissing voice on phone: Seven days to live...

Alex: [screams and slams the phone back down]

Jenna: ?_?

Alex: Uh, never mind... [sits down]

[PHONE RINGS]

Felix: [grabs the phone] :HIC:!

Jenna: FELIX!

Alex: FELIX!

Sheba: [groans]

Voice on phone: [sings] It's a small world after aaaallll...

Felix: [slams phone down and sits down again] Huh...

Jenna: Rude phone manners tonight...

[PHONE RINGS AND RINGS AND RINGS]

Jenna: Alright, alright, I'LL answer it! [grabs the phone and screams] WHAT DO YOU WANT?!

Henry/Olivia/Sheba/Alex/Felix: JENNA!

Jenna: [goes pale and slams phone back down] Oh no...

Felix: ?_?

Jenna: [turns around] That was the police... they say that a girl forced a Jupiter Adept to use Spark Plasma on her repeatedly and she died at the hospital... and an Alchemy Sage is on his way here to.... ask questions...

Alex: R-really?

Jenna: No. It was just Isaac calling to ask if we wanted double glazing.

Sheba: *sigh* Jenna, that wasn't nice!

Felix: [hiccups]

END OF ACT 5

END OF AN ALCHEMY SAGE CALLS
